

HEATHER GLEN COMMUNITY SERVICES DISTRICT

PUBLIC NOTICE

Fire Hydrant Flushing: July 27–31, 2026

Heather Glen Community Services District will be flushing fire hydrants throughout the District between **July 27 and July 31, 2026**, as part of regular water system maintenance.

Residents may see water flowing from hydrants and running along roadsides during this work. This is expected and is not a cause for concern.

Thank you for your understanding.

Sincerely,
Heather Glen Community Services District Board
