Re: Water Rates, Fees and Charges Increase

Dear Heather Glen C S D,

Placer County Water Agency (PCWA) would like to take this opportunity to remind the Heather Glen C S D that a water rate adjustment will go into effect on January 1, 2024. The adjustment is part of a multi-year rate adjustment approved by the PCWA Board of Directors in May 2022 which includes an adjustment of 8.0% in 2024. The rates and charges are intended to increase total revenue for water system operation and maintenance. Resale customers may see adjustments to individual rate components that may be above or below the percentage reflecting the overall revenue requirement.

The proposed rates, fees, and charges for 2024 that apply to the Heather Glen C S D are shown on page two of this letter.

If you have any questions, please contact me at (530) 823-2055.

Sincerely,

Placer County Water Agency

Jill Howes, Deputy Director of Customer Services
